

Leadbeater's Possum

Artist: Rachael Cochrane

- Victoria's State Faunal Emblem
- Critically Endangered
- Less than 1,000 possums left
- 2009 bushfires destroyed half of their forest habitat
- VicForests logging is destroying their remaining habitat

Instructions

- Colour in the Leadbeater's Possum finger puppet;
- Write your name, school & a short message about the loss of the animals and trees of the Victorian forests from logging, on the back of the picture;
- Cut carefully around the dotted line;
- Fold the picture in half down the middle;
- Staple in 2 places to secure the finger puppet;
- Give your Threatened Species Day puppet to your teacher to mind!!

Make another one to keep for yourself!!
